Hi, Gopalakrishnan!

Your article on **AI in Food Safety** is published on iPleaders and can be accessed [here](#). Congratulations on another feather in your cap!

In order to get five marks added to your course for publication, please resubmit your assignment on the portal and let us know once done. We will take it from there!

We would love for you to write and share more articles with us. We would be glad to review and publish them on iPleaders! Please let us know the area of interest you would like to explore and we will send you a topic accordingly.

We also encourage you to share this publication on your LinkedIn profile, along with your journey so far with the Writing Assignment Team. Please do share the post with us!

Regards,
Team SkillArbitrage
