

Experience Certificate

This is to certify that **Mr. Gopalakrishnan Kumar** was working with us as a Bioinformatics Internship from the period **1st August, 2016** to **8th October, 2016**. During the tenure of his internship, we found him hard working and intelligent. We found him good in R and other programming language as well as basics in bioinformatics.

We wish him all the success in the future.

For ArrayGen Technologies.
